Attorneys for Plaintiff

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

ROGER PALMER, *et al.*,

Case No.: 3:21-cv-00268

Plaintiffs,

v.

STEPHEN SISOLAK, in his official
capacity as Governor of Nevada, *et al.*,

Defendants.

DECLARATION OF ROGER PALMER

I, Roger Palmer, am competent to state and declare the following based on my personal knowledge:

1. I am a resident of Clark County, Nevada.
2. I am a responsible, peaceable citizen not disqualified from exercising my right to possess firearms and ammunition.
3. I hold a Nevada Concealed Carry Permit.
4. I am a retired law enforcement officer who has also served as a firearms instructor, concealed carry instructor, and a state security guard instructor.
5. I am currently a full-time private investigator.
6. I am not a licensed firearms manufacturer, importer, or dealer.

1 7. I am a member of Plaintiff FPC.

2 8. I own and possess multiple unserialized firearms, both handguns and rifles, that I
3 previously self-manufactured lawfully with unserialized component parts, including Polymer80
4 NFOs.

5 9. I also own and possesses multiple uncompleted NFOs and firearm building kits,
6 which I lawfully acquired before enactment of the Ban.

7 10. My lawfully self-manufactured, unserialized firearms are of a type commonly
8 possessed by law-abiding citizens for lawful purposes today; specifically, handguns manufactured
9 with Polymer80 kits and AR-15 rifles manufactured with precursor NFOs. The unserialized NFOs
10 are also commonly possessed by law-abiding citizens in the exercise of their right to self-
11 manufacture such firearms for self-defense and other lawful purposes.

12 11. It is my understanding that I am mandated to dispossess myself of the unserialized
13 NFOs, and to dispossess myself of the unserialized firearms I self-built (or render them
14 “permanently inoperable”) by January 1, 2022, or face criminal prosecution under Sections 3 and 5
15 of AB 286.

16 12. I desire to continue to own and possess my lawfully self-manufactured unserialized
17 firearms and NFOs for self-defense and other lawful purposes, and not sell or otherwise dispose of
18 them, but I fear criminal sanction in light of the statutorily mandated dispossession and general bans
19 established under Nevada’s Ban.

20 13. I also desire to acquire additional NFOs commonly used in the self-manufacturing of
21 firearms for self-defense and other lawful purposes, including those that fall within the definition of
22 “unfinished frames or receivers” under Nevada’s Ban, and I desire to self-manufacture additional
23 operable firearms for self-defense and other lawful purposes. However, I am currently prohibited
24 from purchasing or otherwise acquiring any such NFOs under the Ban, I am currently prohibited
25 from self-manufacturing any operable unserialized firearms under Section 4, and I am prohibited
26 from ever again possessing, purchasing, transporting, or receiving any such firearms or NFOs any
27 time on or after January 1, 2022.

28 14. Based on the threat of criminal prosecution by and through Nevada’s Ban that

1 Defendants are actively enforcing and will continue to enforce, I am and have been prevented from
2 acquiring, possessing, transporting, or receiving NFOs, and from self-manufacturing any additional
3 operable firearms from NFOs, for self-defense and other lawful purposes.

4 I, Roger Palmer, verify that I am a Plaintiff named in this action and declare under penalty of
5 perjury, all the information herein is true and correct to the best of my information, knowledge, and
6 belief.
